Press Release: Fenton and Berryhill Wildflower Walk

Join the Closer to Home Walking Network and the Fenton Park Keepers for a special wildflower walk around Fenton Park and Berryhill Fields. The walk leaves at 10:30am on Wednesday 21st September from Fenton Park Lodge and will take just over an hour.

Closer to Home Walking Network Lead Elise Butler said "There has been a recent TV campaign to restore many of Britain's natural wildflower meadows, but in Stoke-on-Trent we are so lucky because we already have acres of wildflowers just waiting to be explored."

If you would like to find out more about this walk or any other walk across the City, please contact the Closer to Home Walking Network on 01782 831900, email: walks@stadiumcommunities.org.uk or log on to www.closetohomewalks.org.uk.

Notes for Editor

The FSC 'Closer to home, Walking Network was set up in September 2008. The venture has now moved into its second phase; having successfully developed 21 walk maps and trained 100+ volunteer walk leaders. The Network aims to contribute towards the City's drive to encourage more people, to become more active, more often complementing the Change for Life and healthy lifestyles programmes.

The Federation of Stadium Communities (FSC) which manages the scheme is a national charity, aiming to improve the quality of life of all population groups in stadium neighbourhoods through both the resolution of stadium related issues and by exploring ways in which sports clubs, community groups and other appropriate agencies can work together to bring mutual benefit to the local area.
